

HOW TO FIRE YOUR KILN

To Register Call Marjon Ceramics – 602-272-6585

3434 W Earll Dr. 85017

Friday October 16th, From 10:00 TO 12:00

Workshop fee; 35.00 PER PERSON

**IF YOU HAVE PURCHASED A KILN FROM MARJONS WITH
IN THE LAST YEAR THIS CLASS IS FREE.**

This will be a comprehensive presentation on the kiln firing process and will include the following:

- Loading and unloading your kiln.
- Differences between manual and automatic (digital) kilns.
- Trouble shooting error codes.
- How to program your kiln.
- Kiln furniture preparation.
- Discussion on points of failure: over firing, preheat function, and all the things that you might encounter when firing your kiln.
- Cones and their functions.
- Kiln care information.
