*Donna Repaty has been creating art since she could put crayon to paper. She studied art education at the University of Illinois, Chicago, and Advertising/Design at the Colorado Institute of Art. She has been creating flowers in clay since 1998. Donna learned this technique when she and her husband lived in Seoul, S. Korea. Donna learned to make roses, calla lilies, daises, water lilies, irises, carnations, orchids, and peonies and then taught herself how to make poppies, pansies, daffodils, fuchsia, larkspur, and hibiscus. There are so many more flowers to learn; a good project for retirement! Donna teaches classes at community ceramic studios around the Phoenix area. Donna's work may be seen at the gift shop at Birt's Bistro in Surprise, AZ.*
