*Donna Repaty has been creating art since she could put crayon to paper. She studied art education at the University of Illinois, Chicago, and Advertising/Design at the Colorado Institute of Art. She has been creating the ceramic flowers since 1998. She learned this technique when she and her husband lived in Seoul, S. Korea. Her instructor, Miss Kim, would teach a new flower every week, and every week the students were expected to go home and create a dozen more to bring back to Miss Kim for critique. Donna learned to make roses, calla lilies, daises, water lilies, irises, carnations, orchids and peonies from Miss Kim and then taught herself how to make poppies, pansies, daffodils and columbine. There are so many more flowers to learn; a good project for retirement! Donna has shown her artwork in the galleries of W.H.A.M. in Surprise, AZ, and the Arts Association of Northern New York in Sackets Harbor, NY and The Thousand Islands Arts Center in Clayton, NY. She has taught several workshops on clay flowers to include Roses & Calla Lilies; Pansies & Poppies.*
