MARJON CERAMICS INC. – APRIL 2013 NEWSLETTER

Spring is here! And with summer just around the corner we would like to take this chance to spotlight three great charitable causes. One Step Beyond, Ben's Bells and Empty Bowls do amazing work. These groups use clay as a means to better their communities and help others that are less fortunate.

[Ben's bells project](#), is bringing communities together. Spreading their message of the power of kindness; they assemble wind chimes. They hang these around Tucson and Phoenix (and many other cities as well) for people to find and take home. All they ask in return is you pass that kindness on to others.

Arizona School of Fired Arts
Summer Session!

Registration opens April 19th. Classes begin the week of June 3rd. Spaces fill up very fast so we recommend signing up as early as possible!

[FIRING](#)

The cost of firing has recently gone up. We have a new page on the website outlining the cost for various loads. Also there is a guideline for pricing tiles and single pieces.

[Empty Bowls](#)

For many years now this terrific project has gathered potters and businesses from all over the country to participate in this worthy cause. Potters donate their time and skill to make bowls that are then sold at various events. They then turn over the profits to various soup kitchens and shelters. They have raised thousands of dollars to help feed people in need.
