Donna Repaty has been creating art since she could put crayon to paper. She studied Art Education at the University of Illinois, Chicago, and Advertising/Design at the Colorado Institute of Art. She has been creating flowers in clay since 1998. Donna learned this technique when she and her husband lived in Seoul, S. Korea. The flowers are made petal by petal. Donna learned to make roses, calla lilies, daises, tulips, water lilies, irises, carnations, orchids and peonies from Miss Kim then taught herself how to make poppies, pansies, daffodils, tiger lilies, and hibiscus. There are so many more flowers to learn, a good project for retirement! Donna teaches classes at various art clubs/studios throughout the Phoenix area and is a studio artist at Ground Floor Artists in Surprise AZ.
